

## **2021 TOMS OFFROAD McGrew Trail Run**

We expect it to be very warm, so please bring plenty of water. We recommend 33" tires & lockers. Please come ready to have fun & bring a positive attitude.

### **7:30 AM - Meet @ O'Brien Country Store, O'Brien, OR**

Please come fueled & ready to go. There is fuel available in Cave Junction at the Circle K or Oregon Discount Fuel in O'Brien. Store should be open at 7 am if you need last minute snacks or drinks.

### **8:00 AM - Drivers Meeting behind O'Brien Country Store, O'Brien, OR**

Jim Shrum will be leading this trail once again. Jason and Matt B. from TOMS OFFROAD will be helping as well.

### **8:30 AM - Depart for McGrew Trail**

Aaron from TOMS OFFROAD will be along so we can get some great photo and video throughout this trip.

### **3:00 PM – Half Way Point Cut Off: Arrive back at O'Brien Country Store**

The length of the trail run will be decided day of. As of now, we plan to cut out at the half way point due to expected hot weather and to give everyone time to make it back in town for the other activities happening later Friday evening. If we do opt to go through the full trail, this point will be an option for those who want to check out early.

### **7:00 PM – Full Trail Completion: Arrive back at O'Brien Country Store**

Should we complete the full trail (or a portion of drivers finish it) those drivers should expect to arrive back at the O'Brien Country Store around 7:00 PM. There are several factors that could play a part in this arrival time, so be prepared for this timeframe to shift one way or the other on a moment's notice.

**REMEMBER:** *This is a trail run, and they can be unpredictable. Please note the timeline listed below is approximate and can change dramatically under special circumstances. We will try our best to meet the completion times listed, but can't promise anything.*
